

Cookie Policy

What are cookies?

Cookies are small text files that are stored on your computer, tablet or phone when you visit websites. The text files are used to store various, simple data, related to your behavior on the website. The information registered by cookies are most commonly used for statistics, or to enhance your experience of the website. Cookies are not harmful.

Cookies on this website

This site uses cookies with the overall purpose of improving user experience. We use first-party cookies and session cookies to optimize the user experience. In addition, we use third-party cookies, in the form of Google Analytics, to measure user behavior/visitor statistics.

By visiting the website, you indirectly accept our use of cookies. Do you want to block our use of, respectively. first-party cookies and third-party cookies, you can add this website to the list of websites you do not want to allow cookies from, in the internet settings of your browser.

Can I delete cookies?

You can delete any cookies you have on your computer at any time. You can find instructions on how to delete cookies below:

Cookies:

- Internet Explorer
- Mozilla Firefox
- Google Chrome
- Opera
- Safari
- Flash cookies (applies to all browsers)
- iPhone, iPad and other Apple devices
- Phones with the Android operating system
- Phones with Windows 7

Do you have any questions?

If you have any comments or questions regarding our use of cookies, please feel free to contact us.

Our confidentiality

Security:

You always have the right to know what information we store on you. Simply send us an email and provide your name and address. You will receive an email within 10 days concerning what information we store on you. If you wish to delete this information, it must be clearly stated by your mail.

Disclosure of information:

We do not disclose information to third parties. The data you provide when shopping with us is considered confidential and is not disclosed under any circumstances.

Cookies

We use so-called cookies.

The use of cookies is done to ensure that you can shop comfortably with us. When you place items in your cart, this information is stored in a cookie on your own computer.

If your browser is unable to handle cookies or you have disabled them, unfortunately you cannot shop through our web shop. You can still see the rest of our website.

You are, of course, very welcome to make your order by e-mail.

What is a cookie?

A cookie is a small data file that is placed on your own computer's hard drive. A cookie is not an application and cannot read or destroy data from your computer.

Only the website that has placed a cookie on your hard drive can read the cookie content again. A cookie cannot be used by viruses to harm your computer.

You can read more about cookies at www.cookiecentral.com.

Logging and Statistics:

Log statistics are used in this store. A statistical system collects information that can provide a statistic of how many visitors a website has had, where they come from, as well as which part of the website they use. In our store, log statistics are used solely for the purpose of optimizing the website and its functionalities. Log statistics are used to increase usability.

As a rule, log information is stored for up to 2 years. This is done in order to form an image of this store's visiting patterns and development over time.
